

THE LEXMARK LEGAL MFP WITH eCLIPSE ES EMBEDDED PROVIDES FIRMS WITH COPITRAKS LEGENDARY USER FRIENDLY COST RECOVERY FEATURES BUILT RIGHT IN!

The eclipse embedded for Lexmark gives users all the features they expect in a fully integrated solution.

Like the Copittrak eClique terminal, the eClique embedded solution is linked in real-time with the firm's Accounting system for validation of Client-matter numbers.

All Features are accessed through the 5"x 8" Full Color Touch Screen Panel of the Lexmark MFP and the solution can be mixed with other Copittrak terminals.

Billing is Just a Touch Away!

With just a Few touches all Copy, Scan, Fax and Print jobs are Tracked and billed to the proper Client-Matter Number. Here's just a few of the User Friendly Features provided by the Copittrak Enabled Lexmark Legal MFP.

Last Job Client-Matter Recall – With a Single Touch Users are able to access Client-Matter Numbers they frequently use. Just touch and you're ready to begin working!

Favorites – User can store Frequently Used Client-Matter Numbers for quick and easy access from any Lexmark Legal MFP, Copittrak Terminal or Application. Favorites stay put until the Client-Matter Number is closed or the User removes it.

Super Search – Never used a Client-Matter number before? No problem, Super Search allows users to find Client-Matter numbers by typing in any portion of the Client Name or Matter Description.

A Closer Look at the Interface (Last Job Recall)

Copittrak Features like Last Job Recall Instantaneously follow the User no matter what Device or Copittrak Software they are Accessing. They also follow the User from Office to Office.
